**Detail of Issue/Request:**

As the POST plan progresses to completion, we would like to check in with the Board of Trustees to ensure that we're heading in the right direction. One step of this check in is to do a cursory review of the DRAFT policy document. The policy document is attached for your review. It is by no means complete, but is at a stage that is able to get a fair felling of the direction that is being taken.

Should you see a policy that raises a concern, please document that in a way that will remind you of your concern. Also, if there is any question about the document or any specific policy recommendation, we'd like to know about that as well.

**Legal/Political Considerations:**

Not applicable.

**Alternatives/Options:**

The Board of Trustees may choose to provide any direction it sees fit.

**Financial Considerations:**

Not applicable.

**Staff Recommendation:**

Staff recommends providing direction as to how to proceed on the POST policy document.
